20th September 2021

Dear Parent/Carer

Bike to School Week

We are pleased to announce that Jewell Academy will be taking part in the Bike to School Week which will take place between 27th September and 1st October 2021.

This is a great chance to add to our children's physical activity levels, help the environment and even save money.

It's easy to get involved and no sign up or registration is needed - just try to cycle, scoot or walk to school between 27th September and 1st October 2021. However, remember to do this safely and wear a helmet for every journey on your bike or scooter. Further helpful tips regarding safety and bike/scooter maintenance can be found on the booklet attached which we encourage you to read before taking part.

Yours Sincerely

Mr Vickery

Year 4 Class Teacher

Lead of Physical Education and Competitive Sport.
