Dear Parents and Carers,

I would like to take this opportunity to introduce myself to you as the newly appointed Executive Principal for Jewell Academy Bournemouth and Ocean Academy Poole. I am currently the Principal at Ocean Academy Poole and I am really excited to become part of the Jewell Academy community, working closely with the children, staff and parents to further strengthen the already established collegiate approach and continue to drive improvements moving forward. The Jewell Academy team are passionate about the children, the education they impart and the wonderful experiences they provide to enhance the lives of each and every child and having visited the academy on a number of occasions, this radiates in the pride the pupils have for their school. Prior to working in Poole, I worked in Bournemouth for over 10 years and so I know the area well. I hope to meet you in person in September where Mrs Waddington and I will be able to share further details about my role and the academy improvement focus for the coming academic year.

I hope you have a fantastic summer break when it comes and congratulate yourselves for supporting your child so successfully throughout this difficult and unprecedented year.

Kindest regards

Mrs J Quarrie
