Jewell Academy Newsletter

Dear Parents and Carers,

It has been another busy fortnight here at Jewell. The school is beginning to look amazing with even more displays going up recognising the work of the children. Our new Regional CEO Mr David Herbert visited us yesterday and said that the academy was looking tidy, celebrating children's work and that behaviour across the school was good, with engaged and happy learners. We couldn't ask for more from our children and we are very proud of them.

Kimberley, Kian, Ebube, Gracie, Evan, Ella-Rose, Ericka, Thomas and Brooke (all from Y5) undertook Sports Leader training at The Bourne Academy this week. These children learned skills that will support with playground games and sporting events. Mr Bradley and Miss Moody accompanied them and were proud of how well they represented the school. We look forward to seeing how they can increase Fun and Excitement in our playground as well as demonstrate Leadership and Responsibility in their new roles.

Thank you so much for our Harvest contributions to the Food Bank. An incredible amount of food has been donated. Thank you very much for your generosity.

PTA Information

The PTA raised a fantastic amount at the summer fair - £1859.70 was raised for the school. This year's projects are focusing on raising items for our sensory room and more playground equipment that will benefit all children.

The PTA will hold their AGM on 3rd November in the school hall directly after school (3:15pm onwards). All are welcome.

They are looking to recruit some new members onto their PTA and re-elect members into the different roles available. Should you be interested in any of the roles within the PTA, a box will be available in the office for you to place nominations from Monday until Friday next week.

I hope you all have a fantastic weekend.

Mrs Alex Waddington

Principal.
