

What specialist services and expertise are available at, or accessed by, the academy?

At Jewell Academy we work with many specialist services from Health, Social Care, Education and the voluntary sector. Some we work with as a matter of routine, others work with us due to very specific individual needs. We will endeavour to access any service if it will help a child or their family. Specialist services and provision that have supported our children this year include:-

- NHS Speech and Language Therapists
- Linwood and Tregonwell Outreach Teachers to develop strategies to support individual needs
- Bournemouth's Educational Psychology Service
- Poole Child Development Centre - Community Paediatrician; Physiotherapist and Occupational Health Team who visit the academy to advise on programmes and specialist equipment
- Hearing and Vision Support Services advisory teacher
- Play therapist
- MBN Arts wellbeing coaches
- Learning to Live mentoring coaches
- academy Nursing service - hearing screening, vision screening, toileting
- Early Help practitioners
- Cedar programme - supporting children recovering from living with domestic abuse
- Child and Adult Mental Health Service (CAMHs) – Nursing Team
- Navigator - supporting families and delivering 'Think Bricks'
- Sensory Circuit provision for children with specific physical or sensory needs
- Total Children's Therapy Service
- Social Care
- Safer Schools team

There are also many organisations available to support families, such as:
