

Driving Question:

**How can we, as advertisers, persuade someone to buy our biscuits?**

Launch:

We will launch this topic by taking part in our own market research. Sampling and evaluating current biscuits that are on the market.

Overview:

In our new topic, we will become product designers. Conducting our own market research through surveys, evaluating packaging and using this research to design our own biscuits and packaging for a specific audience.

**Computing**  
We will be exploring E-safety and online reputation. We will further our coding skills.

**History**  
Ancient Greece – a study of Greek life and achievements and their influence on the western world.

**English**  
Our main focus will be writing to entertain. Exploring the wonderful work of Roald Dahl.

**Design and Technology**  
We will research and evaluate current 3D packaging to design and make our own

Vocabulary:

marketing,  
advertising  
solids, liquids, gases  
melting  
particles  
freezing water  
vapour  
evaporation  
solidify  
condensation  
temperature

Learning conversations to have at home:

**Explore with your child, the Ancient Greeks. Who were they? What were their influences on our lives?**

*Explore BBC Bitesize [Here](#) to find out more about who the Ancient Greeks were, what they believed in, what their culture was like.*

**Discuss online safety with your child.**

*There are many ways of communicating online. Read through the information and watch the video [here](#) to find out more.*

Change to Home Learning:

Each week your child will be set either a Maths or English task. This will be set on google classroom for your child to complete (please let us know if you are unable to access this). This is in addition to reading at home, TTRockstars and spellings.

Topic Home learning:

Please refer to the Ancient Greece Homework Grid. From the twelve activities, you need to choose 1. The homework is due by 23/03/23. You can complete more than one if you wish. As the expectation is only 1 task, you will need to put in care and effort and complete it to the best of your ability. You can present your work in an appropriate style of your choice and where appropriate it may be word-processed or completed by hand. You may find some tasks easier once we have covered it in class.

Future Careers:

Throughout our topic, we will look at different careers including bakers, product designers as well as historians and how they have helped us explore and understand the past.

Landing:

We will be sharing our amazing products in a biscuit sale at the end of term. Where we hope to wow with our own packaging and persuasive adverts.

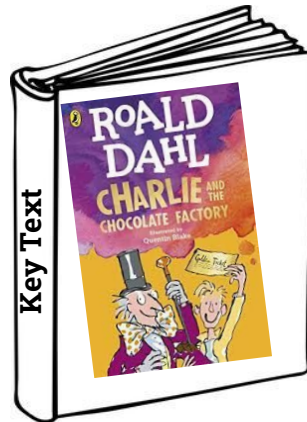

**Reading** This term our key text is 'Charlie and The Chocolate Factory' by Roald Dahl. The much loved, children's novel. The story features the adventures of young Charlie Bucket inside the chocolate factory of eccentric chocolatier Willy Wonka.

What kind of factory would you want to win a ticket to?

What is your favourite part of the story?

Have you read a book by the same author before?

Which Jewell learning skills do the characters demonstrate?

### English

- ★ Narrative writing focus
- ★ Revising word classes
- ★ Subordinating conjunctions
- ★ Paragraphs

### How can you help at home?

- Revisit and remind yourself of the different word classes
- Explore subordinate conjunctions [here](#) and then take the quiz.

### Maths

- ★ Fractions, improper fractions, mixed numbers and equivalent fractions
- ★ Decimals, tenths and hundredths as decimals

### How can you help at home?

- Encourage your child to practice their times tables for 10 mins a day on TTRockstars
- Continue to support your child to tell the [time](#) both 12 and 24 hour.

### Science

We will be learning about the different [states of matter](#) and how they change.

### History

We will investigate the Ancient Greeks, and find out about the many influences on our lives today.

### Music

We will be learning to perform using our voices with increasing fluency, control and expression

### Art

We will improve our mastery of drawing techniques, to draw 3D shapes accurately.

### PSHE

We will learn to problem-solve and identify a variety of strategies in different situations where we may experience peer pressure.

### Computing

We will be learning about online reputation and online bullying and how to stay safe online.

### Design and Technology

Next half term, we will be learning about shell structures and designing our own packaging. We will also develop our skills to prepare and cook.

### Physical Education

We will be learning about tactics in net and wall games and dance actions and dynamics.

### French

We will learn to communicate with others with improved confidence and accuracy.

### Religious Education

Christianity: Is forgiveness always possible for Christians?

### Dates for the diary

Harry's island talk?  
20th March

World book day Thursday 2nd March

Parent's evening week commencing
