Year R: Autumn Term 1 2023

Magical Me

Driving Question:

How do we, as children in Reception, show where we belong?

Launch:

We will launch our topic by sharing photos of our families to create our own belonging display. We will be talking about the people that are special to us and considering what makes a family.

Overview:

In our new topic, we will look at the places we belong. We will start with our families and then consider our classroom, school and community. We will work together as a team to take on our class 'jobs' and we will be able to explain them to others.

People, Culture and Communities

We will be discussing our homes, families and the similarities and differences between them.

Natural World

We will observe the season changing using new language to describe.

Expressive Art & Design

We will be creating art outdoors using natural materials.

Literacy

We will introduce [Phase 2 Sounds](#) and 'Tricky Words'.

Vocabulary:

belonging
family
friendship
similarities
differences
season
summer
autumn

Learning conversations to have at home:

Do all the people in our family live nearby?

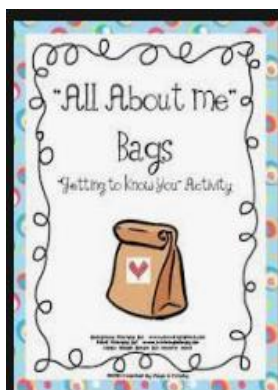

Some people have family members that live in different places around the world. Talk to your child about family members that may live somewhere else. Maybe you could share photos of them, look on a map and talk about a special memory.

How will we know when autumn has arrived?

Talk to your child about the different seasons. At the moment it is summer but soon it will be autumn when the days feel cooler and the leaves start to change colour. Look out for some signs of autumn together when you go for a walk, or hunt for leaves of as many different colours as you can.

Topic Home learning:

Please complete the 'All About Me' bag with your child. They should contain 4-5 small items that fit and will help their new friends find out more about them. We will give these out during our home visits. Due on or before Friday 15th September

Future Careers:

As part of our conversation about families we will be considering the different jobs our grown ups do.

Landing:

We will finish our topic by inviting our parents in to visit our classrooms and see all of our hard work. Open classrooms. Please join us on Friday 13th October, 2.15-2.50pm

Reading

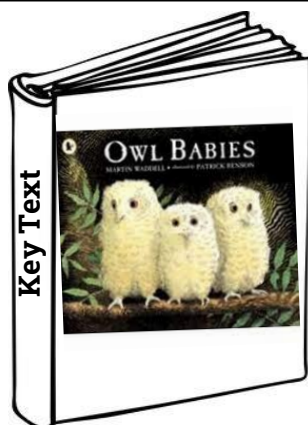

This term, we will be reading stories linked to our topic 'Magical Me'. Our first story will be 'Owl Babies' by Martin Waddell. Some other stories you might like to share with your child are: 'Super Duper You!', 'Sophy Henn', 'Can I Build Another Me?', 'Shinsuke Yoshitake' or 'Funnybones' by Janet & Allan Ahlberg.

What happened when the Owl Babies woke up?

What did Bill want?

Why did the Owl Babies have to be brave?

How did Owl Mother fly through the trees?
