Topic Home learning:

Please refer to the Ancient Greece Homework Grid. From the twelve activities, you need to choose 1. The homework is due by 15/05/24. You can complete more than one if you wish. As the expectation is only 1 task, you will need to put in care and effort and complete it to the best of your ability. You can present your work in an appropriate style of your choice and where appropriate it may be word-processed or completed by hand. You may find some tasks easier once we have covered it in class.

Future Careers:

Throughout our topic, we will look at different careers including bakers, product designers as well as historians and how they have helped us explore and understand the past.

Landing:

We will be sharing our amazing products in a biscuit sale at the end of term. Where we hope to wow with our own packaging and persuasive adverts.
